# Ocean Hills Travel Club presents **Paramount Pictures Studio Tour**

**Tuesday, January 17, 2023**

We will begin our day at L.A.'s historic Farmers Market for shopping and lunch.

Then we're off to explore over a century of Hollywood history at the Paramount Pictures studio lot. A tour guide will lead us on a behind-the-scenes look at the longest operating and only remaining major studio in Hollywood.

The Studio Tour includes:

- 2 hour Private Tour on a 7 person Cart (rain or shine)
- Sound Stage Visit (pending availability)
- Visit to the prop warehouse

➔ **Please note:** Additional details and requirements for this trip are on the reverse side. At the time of our departure, masks may be required on the bus. While masks are not required on the tour, the government strongly recommends that all persons, regardless of vaccine status, continue to wear masks while indoors. Please bring a mask to be prepared. Also, keep this flyer for your records. You will receive a confirmation by email when we have 25 people signed up for the trip, which is the minimum for a Travel Club Trip.

Please leave a check, with proof of your vaccination attached (if not already submitted), made out to the OH Travel Club and put it in the Travel Club Envelope at the Clubhouse Front Desk. Add \$5.00 to the price for each non-member. If you wish to be seated with someone, please turn in your checks together and indicate their name on your check. Bus seating is based upon the order in which checks are received. The price includes transportation; bottled water and a snack on the drive home; and all taxes and gratuities.

The bus will depart promptly from the Overflow lot at 8:00 am, with or without you.
