## ***Huntington Gardens***

**Thursday, April 13, 2023**

On this 60-minute Estate Outdoor Walking Tour, we will have the opportunity to explore some of the 130 acres of magnificent gardens and learn how Henry and Arabella Huntington's San Marino Ranch was transformed into the world-famous cultural landmark. We'll be guided by docents through the amazing elements of The Huntington, which has 16 themed gardens, with more than 83,000 living plants including rare and endangered species, and a laboratory for botanical conservation and research. We will also visit three art galleries, a Library, and special exhibitions.

Please wear comfortable walking shoes. The tour is walker accessible.

After the tour, there will be time to have lunch on your own at one of several restaurants on the premises and also more time to explore the gardens on your own. For more details on restaurants and further information, please check out [www.huntington.org](http://www.huntington.org).

➔ **Please note:** At the time of our departure, masks will not be required on the bus. However, masks may be required at one or more of the venues, so please bring a mask to be prepared. Also, keep this flyer for your records. You will receive a confirmation by email when we have 25 people signed up for the trip, which is the minimum for a Travel Club Trip.

Please leave a check, with proof of vaccination attached (if you have not already submitted it), made out to the OH Travel Club and put it in the Travel Club Envelope at the Clubhouse Front Desk. Add \$5.00 to the price for each non-member. If you wish to be seated with someone, please turn in your checks together and indicate their name on your check.
