Sights Around San Diego

Thursday, March 23, 2023

Come join us for some fantastic sights around San Diego. We begin our day from the top of Mount Soledad, which is known as one of the most prominent landmarks in San Diego. Atop this 822-foot hill sits the Mount Soledad cross and veterans monument. Our second stop is Old Town San Diego State Historical Park, which is a state protected historical park, with lunch (included) to follow. Then we will visit the San Diego Central Library with a 30 minute guided tour.

The San Diego Public Library has more than 5.3 million books, 1.6 million government documents; and more than 265,295 books in 25 languages other than English. Our final destination is Barrio Logan, an artistic, industrial area. Barrio Logan houses the largest collection of Chicano murals not just in California, but in the world. We will view dozens of these murals depicting the community's past activism. Best of all, we will have a guide with us for the entire day providing extensive narration and information at each of these venues.

➔ **Please note:** At the time of our departure, masks will not be required on the bus. However, masks may be required at one or more of the venues, so please bring a mask to be prepared. Also, keep this flyer for your records. You will receive a confirmation by email when we have 25 people signed up for the trip, which is the minimum for a Travel Club Trip.

Please leave a check, with proof of vaccination attached (if you have not already submitted it), made out to the OH Travel Club and put it in the Travel Club Envelope at the Clubhouse Front Desk. Add \$5.00 to the price for each non-member. If you wish to be seated with someone, please turn in your checks together and indicate their name on your check. Bus seating is based upon the order in which checks are received. The price includes transportation; lunch; bottled water and a snack on the drive home; and all taxes and gratuities.

The bus will depart promptly from the Overflow lot at 9:00 am, with or without you.
