TWO PRIVATE TOURS OF SAN DIEGO! Please join us for an incredible day with private guided tours of San Diego by land and by sea! We start our day with a 100-minute, fully narrated tour aboard a Hydra-Terra. We'll wind through the streets of San Diego by the harbor before splashing down for a cruise of the Bay, with an up close encounter with California Seals and Sea Lions, views of the North Island Naval Air Station (one of the largest repair facilities for fighter jets), and more.

After the tour, we'll return to the Seaport Village where you can have lunch on your own and explore the shops there.

We'll meet again at 1:45 pm to board our private Old Town Trolley for a two-hour guided tour of San Diego. We'll travel over a 25-mile loop visiting various neighborhoods and sites and travel over the iconic San Diego-Coronado Bridge to Coronado.

Please come and enjoy an easy day of touring where you leisurely cruise and ride to visit many of the wonderful places that comprise the fantastic city of San Diego!
