## A Long Beach Adventure

### Tuesday, April 30, 2024

Join us for a fun-filled day in Long Beach: touring the Aquarium of the Pacific; a “Bubba Gump” lunch AND a narrated cruise in the harbor!

The Aquarium of the Pacific features a collection of over 12,000 animals in more than 100 exhibits, including 19 major habitats. There are more than 500 species that represent the diversity of the Pacific Ocean from the frigid waters of the North Pacific down to Baja California. Exciting exhibits include the shark lagoon, penguin habitat, seal & sea lion habitat, sea otter habitat and an open area where you can hand feed the lorikeet birds.

Across the street is the Bubba Gump Restaurant, where we will have lunch, which is included. Please enter on your check one of the these entrees of your choice: 1) Mama Blue's Southern Fried Shrimp, with fries and coleslaw; 2) Captain's Fish & Chips, with coleslaw; 3) All American Cheeseburger with fries; 4) Chicken or Shrimp Caesar Salad; or 5) Alabama Chicken Linguine with garlic bread. A non-alcoholic beverage and chocolate cake are also included!

After lunch, we'll take a 45 minute narrated cruise of the Long Beach harbor, which is one of the most active ports in the world. We'll see the downtown shoreline, ships from around the world, and even sea lions.
