

Ocean Hills Travel Club Presents
Balboa Park Tour
 Thursday, February 19, 2026

Please join us for a docent led architectural tour of Balboa Park focusing on the wonderful Spanish style buildings built for the 1915 Panama California Exposition. We will see the newly renovated Lily Pond and the almost completely renovated 1915 Botanical Garden. There will be time to wander on your own before we leave for lunch in Old Town.

When we arrive in Old Town, we will lunch, included in the price, at the Old Town Mexican Café. Following lunch, you may wander around to check out the many historical buildings, now museums, including a stable, early courthouse, school house and various residences. Just across the street from our restaurant is the “haunted” Whaley House!

Please leave a check made out to the OH Travel Club and put it in the Travel Club Envelope at the Clubhouse Front Desk. Add \$5.00 for each non-member. If you wish to be seated with someone, please list their name on your check. Bus seating is based upon the order in which checks are received. The price includes transportation; private tour; lunch, bottled water; a snack; and all gratuities.
