Drop Box – We are still having problems with drop box. Mostly involving Jeannine who is not able to get the information she need for badges. As a workaround, either Adele or Lynn will email her the information and we will try to resolve the problem. There are no other programs that we know of that are designed quite the same.

Cashflow – Due to several large ticket/seat purchases/deposits cash flow is rather tight. Cashflow should be resolved Dues Day on January 10. For now we need to just really watch and be sure to talk to Lynn prior to spending.

Our Phantom of the Opera deposit was processed and is back in our account.

Purchase of Banner for up to \$20 was approved for Dues Day Motion was made by Lynn and 2nd by Callie all approve

Discussion of deposit for Baseball ticket via email – After the meeting via email a discussion ensued regarding Baseball tickets. Group sales required a deposit of \$500 to acquire 2026 tickets prior to them going on sail to the general public. The BOD unanimously agreed to pay the deposit via debit card. Further the price of ticket to be purchased is a not to exceed \$85, and to be kept as close to \$80 as possible.
